"Poots," said Mrs. Poots to her husband the day before New Year's, "you remember how that last year and year before last, and for ever so many years back about this time, you resolved to quit smoking and chewing, and you know how mean you felt about it when you took up the habits again?"

"Yes, my dear," responded Poots, "I do remember, and I've made up my mind this time to—"

"Hold out faithful to the end; that's a dear, good man," interposed Mrs. Poots.

"Yes," continued Poots, "I have the fullest confidence in my ability to hold out faithful, not only to the end of this year but until the end of time."

"Nobly spoken," cried Mrs. Poots. "But why are you so sure, dear?"

"Because," said Poots, "my resolution this year is to keep right along with my smoking and chewing, and I feel that I have the manhood to adhere to that resolution unflinchingly at any cost."

GENTLEMEN—I have been troubled with rheumatism for two years. I tried all the best remedies, but without relief. The last doctor I visited recommended Dr. Rush's Blood Root Oil. I purchased a large bottle for fifty cents, and applied it. In two hours I was relieved and now I am entirely well. Its effects are wonderful and I believe it the only thing in the world which will cure rheumatism.

Truly yours,

YOUNG MEN

Who may be suffering from the effects of youthful follies or indiscretions will do well to avail themselves of this, the greatest boon ever laid at the feet of suffering humanity. Dr. Spinney will guarantee to furnish five hundred dollars for every case of weakness or private disease of any kind or character which he undertakes and fails to cure.

MIDDLE-AGED MEN.

There are many at the age of thirty to sixty who are troubled with too frequent evacuations of the bladder, often accompanied by a slight smarting or burning sensation, and a weakening of the system in a manner the patient can not account for. On examining the urinary deposits aropy sediment will often be found, and sometimes small particles of albumen will appear, or the color will be of a thin milky hue, changing to a dark and turbid appearance. There are many men who die of this difficulty. Ignorant of the cause, which is the second stage of seminal weakness, Dr. S. will guarantee a perfect cure in all such cases and a healthy restoration of the entire urinary organs.
